## Represent a Client (CRA)

With your authorization, HQ Enterprise (a CRA representative) can access and manage tax information for you including viewing previous tax return assessments, access to gov't slips (ie: T4, T4E, T5, T4A etc), adjust previous returns if necessary, depending on the level of authorization granted.

If you are missing slips, there is a good chance we can get them for you through Rep-A-Client.

# TAX CHECKLIST

This checklist is mean to be a guideline and does not capture every deduction, receipt, slip that is available under the tax code.
